TOP 5 Reasons to Study at MGIMO-University:

- 1 Ranked 34th in QS Best Universities in the World 2022 by Subject «Politics and International Relations», MGIMO-University is by far the leader among institutions of the so-called «non-western world» in grooming practitioners in the field of international relations, world politics and global diplomacy.
- 2 Our University takes pride in its unique language learning opportunities and its uncompromising commitment to linguistic excellence. Offering a choice of 53 foreign languages, we hold a Guinness World Record for the largest number of languages taught at any academic institution.
- 3 By choosing to study with us, you choose to receive a prestigious hands-on education of the highest standard. MGIMO's honorary degrees are held by some of the world's most prominent leaders, while its best graduates include a substantial number of heads of state and government, foreign secretaries and other cabinet ministers, top entrepreneurs and senior corporate executives.
- 4 Based in Moscow, a vibrant and trending megalopolis driven by innovation, our students enjoy access to cutting-edge infrastructure on our campus (dormitories, a library, a sports center, etc.).
- 5 Studying in Russia opens before you the unique and exciting world of this vast country-cum-civilisation. Our immersive youth project «Explore Russia» will be your guide to its rich history, ancient culture and diverse geography.

TOP 5 Reasons to Choose the School of Government and International Affairs:

- 1 We are the only school at MGIMO whose admission is open to applicants with all types of high school certificates (Unified State Exam (ЕГЭ), IB, A-level, SAT or any other national education certificates).
- 2 Our commitment to English as the sole language of instruction combined with our devotion to hands-on education ensure that our graduates consistently enjoy an uncompromising competitive edge globally. 95% of our graduates find their first employment or join post-graduate programmes within six months of receiving their bachelor's degree.
- 3 With a decade-long record as Russia's most renowned faculty teaching exclusively in the English language, we are dedicated to delivering a degree of academic excellence that does not only propel our graduates to the ranks of foremost experts in international relations, but also ensures that their services are globally in demand by a diverse variety of employers.
- 4 Our standards of teaching foreign languages, including English for specific purposes, are among the world's highest (Advanced-Proficiency, C1-C2, CAE-CPE, IELTS 8-9, TOEFL iBT 110-120, TOEFL CBT 270-300, TOEFL PBT 637-677, BULATS Business 75-100, BEC Business Higher, Pass with Merit in ILEC Legal and ICFE Finance, etc.). Our unswerving focus in language teaching is on seamlessly integrating linguistic skills with professional ones.
- 5 We are an international team of academics teaching a community of students from over 50 countries. Our shared passion is for quality education and for quality leisure. At this university, we don't choose between the two. We have the best of both worlds, and we do it in style.

Our Bachelor's programmes

Bachelor's programme «**Government, International Politics and Law**».

An interdisciplinary academic trajectory tailored for Russian and foreign applicants with international certificates of full secondary education (IB, A-level, etc.). Designed to ensure advanced training in contemporary great-power relations and development, it relies on a combination of legal and political disciplines best suited to efficiently cultivate cutting-edge skills in the analysis of international trends.

Bachelor's programme «**Politics and International Relations**».

A unique academic trajectory designed for Russian nationals who apply on the basis of Unified State Exam (ЕГЭ) results, as well as for foreign applicants who have national certificates of full secondary education. The programme comprises two years of study at MGIMO followed by another two years at a partner university abroad. Its learning outcomes are dominated by analytical mastery of fundamental and emerging trends in contemporary international relations, politics and diplomacy. For a complete list of our partner universities, follow the link below:

► <https://english.mgimo.ru/worldwide/partner-uni>

Bachelor's programme «**Global Politics**».

An international academic trajectory designed for Russian nationals who apply on the basis of Unified State Exam (ЕГЭ) results, as well as for foreign applicants who have national certificates of full secondary education. It comprises three years of study at Marbella International University Centre (Spain), followed by a final year at MGIMO. The programme's overarching priority is the development of practical expertise in both European and Russian best practices of global political analysis. For more information, follow the link below: ► <https://spain.mgimo.ru>

Bachelor's programme «**International Business and Finance**».

An applied academic trajectory tailored for Russian and foreign applicants with international certificates of full secondary education (IB, A-level, etc.). Its curriculum comprises a broad range of mathematical disciplines and humanities that provide a balanced and comprehensive insight into the global architecture of international finance, the dynamics of individual economies and the promotion of national business to global markets.

Our Master's programmes

Master's programme «**International Diplomacy and Political Regional Studies**». A cutting-edge academic trajectory designed for foreign applicants with bachelor's degrees. The programme's curriculum, dubbed "the ultimate essence of MGIMO", is comprised of select hallmark disciplines that earned the university its international renown for academic excellence.
